"With all the new vehicles being marketed to first-time buyers, we believe the one that stands out as having the most "bang for the buck" is the MAZDA3."

Kelley Blue Book www.kbb.com

"The 2006 MAZDA3 does everything — **and we mean everything — better than its competition.** In fact, its acceleration, handling, build quality, feature content, interior design and styling are on par with cars that cost significantly more. That makes MAZDA3 a tremendous value, and for the second test in a row, a winner."
