**TOYOTA MOBILITY**

# Assistance Program

**Supports the mobility needs of Toyota owners and/or family members with physical disabilities.**

## **PROGRAM ELEMENTS INCLUDE:**

### ► **Toyota Mobility Assistance**

Provides cash reimbursement of up to \$1,000 of the cost to the vehicle owner for aftermarket adaptive equipment, for drivers and/or passengers, when installed on any eligible purchased or leased\* **new** Toyota vehicle. Refer to attached guidelines and reimbursement application form for detailed requirements.

### ► **Comprehensive Mobility Resource Information**

Available at [www.toyota.com/mobility](http://www.toyota.com/mobility). Includes lists of mobility equipment dealers and installers, listed by state.

### ► **Toyota Financial Services<sup>†</sup> Mobility Financing**

Available upon credit approval, through Toyota Financial Services and participating Toyota dealers. Provides flexible, extended-term financing for persons with physical disabilities or their families, for purchasing a **new** Toyota vehicle with the installed adaptive equipment (including installation costs). Please contact your local participating Toyota dealer for details.

## **A PROVEN PROCESS FOR GAINING FREEDOM ON THE ROAD**

Toyota supports the U.S. Department of Transportation's recommended process, which is detailed in the brochure "Adapting Motor Vehicles for People with Disabilities." Copies are available by calling (888) 327-4236 or at [www.nhtsa.dot.gov](http://www.nhtsa.dot.gov). The process includes these steps:

### **1. Determine your state's driver's license requirements**

### **2. Evaluate your needs**

Contact a mobility equipment dealer in your area to identify the adaptive equipment most suited to your needs.

### **3. Select the right vehicle**

Consult with your evaluator, an adaptive equipment installer and your local Toyota dealer to determine the best Toyota model to meet your needs.

### **4. Choose a qualified mobility equipment installer**

Shop around and ask about qualifications, capabilities, experience, warranty coverage and service. Confirm they are members of the National Mobility Equipment Dealers Association (NMEDA) or another organization that has established vehicle conversion standards.

### **5. Obtain training on the use of the new equipment**

When this process is complete, follow the guidelines and complete and submit the attached application for assistance to recover up to \$1,000 of the cost of your adaptive equipment and/or conversion.

**\* Subject to advance written lessor approval. Note: Not all leasing companies will approve the installation of adaptive equipment, so be sure to check and obtain written approval first.**

## GUIDELINES

Toyota Motor Sales, U.S.A., Inc. will provide a reimbursement of up to \$1,000 to each eligible, original retail customer, for the exact cost they paid to purchase and/or install qualifying adaptive driving or passenger equipment for transporting persons with physical disabilities.\* This offer applies to all purchased or leased **new** Toyota vehicles.

**Leased vehicles require advance written lessor approval of adaptive equipment installations.\*\***

➤ Only new vehicles sold or leased and delivered to a retail customer by an authorized Toyota Motor Sales, U.S.A., Inc. dealer are eligible for reimbursement under this program. Fleet incentive recipients are not eligible to participate in this program.

➤ The adaptive equipment must be purchased and installed within 12 months of vehicle purchase or lease. A Reimbursement Application Form must be submitted to the Toyota Customer Experience Center within 90 days of complete installation of adaptive equipment. No form required for factory installations.

**Note:** Toyota will reimburse the labor cost for transferring existing equipment from a used vehicle to a new Toyota, and recommends the transfer be performed by an NMEDA Dealer with QAP certification. Refer to [www.NMEDA.org](http://www.NMEDA.org) for information on QAP certified dealers.

➤ Qualifying adaptive equipment or conversion is defined as any aftermarket alteration or equipment installation on an eligible Toyota vehicle that provides the disabled user convenient access and/or the ability to drive the vehicle. Equipment installed must be within vehicle weight limits as identified in the vehicle's Owner's Manual.

➤ A prescription or note from a licensed medical doctor on physician's letterhead is required for reimbursement, except as noted on page 3. For a limited number of adaptations, such as hand controls, no medical note or prescription is required. Any modifications not listed on this application as an obvious mobility adaptation must have a written document from a licensed medical doctor describing the customer's disability/limitation. Toyota dealer-installed accessories are not reimbursable under the Toyota Mobility Assistance Program. For pedal extender reimbursement, the customer must be medically diagnosed with a physical condition. **Questions about other adaptations should be directed to the Toyota Customer Experience Center at (800) 331-4331.**

➤ To obtain reimbursement, the Reimbursement Application Form must be completed in its entirety and signed by the customer and the selling dealership. It should be mailed along with a copy of the vehicle sales or lease agreement, the adaptive equipment company's paid invoice showing payment by the vehicle owner,\* a Lessor Letter of Authorization (for leased vehicles\*\*) and a prescription or note from a licensed medical doctor on physician's letterhead (when required) to the following address:

**TOYOTA CUSTOMER EXPERIENCE CENTER  
MAIL DROP WC10  
19001 S. WESTERN AVENUE  
TORRANCE, CA 90501**

Payment to the individual Mobility Assistance Program customer will be mailed within 6–8 weeks after receipt of an approved claim form and all required documentation.

Please call the Toyota Customer Experience Center with any questions:  
**(800) 331-4331 or (800) 443-4999–TTY**

\* Reimbursement will not be made in cases where the equipment and/or installation is being paid for or reimbursed by another source.

\*\* Note: If leasing through Toyota Financial Services, TFS will provide only an authorization letter for the following types of adaptive equipment: hand controls, left foot accelerator, wheelchair/scooter lift and turning automotive seating.

# Eligible Mobility Adaptations for Drivers/Passengers

Toyota dealer-installed accessories are not reimbursable under the Toyota Mobility Assistance Program.

The following adaptations would be considered obvious mobility adaptations and, as such, do not require a doctor's note, or completion of the LICENSED MEDICAL DOCTOR VALIDATION section of the Reimbursement Application Form or other documentation, to qualify for reimbursement.
